

Curriculum & Assessment Team

2026/27

**How can we
support
you?**

Welcome to SIL

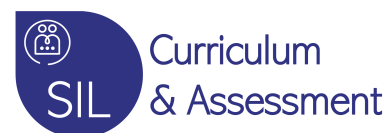

Working across **schools, settings, Networks, Trusts and LAs**, we enable **leaders, teachers** and **support staff** to deliver **curriculum excellence**.

Education transforms lives and creates thriving communities. We believe that **every learner and educator deserves to be valued** and empowered to **reach their full potential**.

That belief **underpins our approach** to develop strong, **trusted partnerships** that offer practical, **evidence-informed CPD, consultancy** and **resources tailored** to your **priorities**.

*"We aim to work with all educational settings to support them to **improve and provide the best education to their children and young people**, delivering this through deep knowledge, responsive services, training and high-quality products"*

curriculum
excellence across
the phases**

In-School Support

Tailored to your needs and priorities, sessions could include:

Curriculum and Assessment Reviews: Review and quality-assure your curriculum by auditing the whole curriculum or focusing on specific subjects or aspects.

Subject Specific Health Checks: Subject Leader discussions, learning environment walks, pupil voice (with books), work scrutiny, teacher voice, next steps and action planning, and the capture of key recommendations.

Subject Leader Support: Review of curriculum policy, structure, progression and implementation; data analysis; action planning; and monitoring and evaluation guidance.

Subject Knowledge & Pedagogy Support: 1:1 planning or coaching, and CPD sessions for Teachers and Teaching Assistants (staff meetings, twilights, INSET days).

Leadership support

Our **suite of 15 termly Leadership Briefings:**

- Help **leaders to keep abreast** of local and national priorities and developments whilst **supporting the leadership of learning**.
- Build senior leader and subject leader **curriculum knowledge**.
- Provide an opportunity to **share ideas, approaches, and resources** to support leadership roles.
- Develop and enhance your **curriculum offer** and outcomes for all.

Supporting Headteachers, Curriculum Leads, English, Mathematics, Phonics, Science, History, Geography, Computing, Art & Design, Design Technology, PSHE, PE, MFL and RE Leads.
