

# SIL Conference Centre

## Travel, Parking & Access Guide

We're pleased to share that SIL has now moved into a brand-new home, marking an exciting new chapter for our staff, partners, and visitors.

The SIL Conference Centre offers a modern, flexible environment designed to support high-quality collaboration and learning.

The space includes five fully equipped training rooms, a spacious Board Room, and additional meeting rooms, all featuring:

- Wi-Fi
- Digital screens
- Laptops
- and a full range of AV equipment.

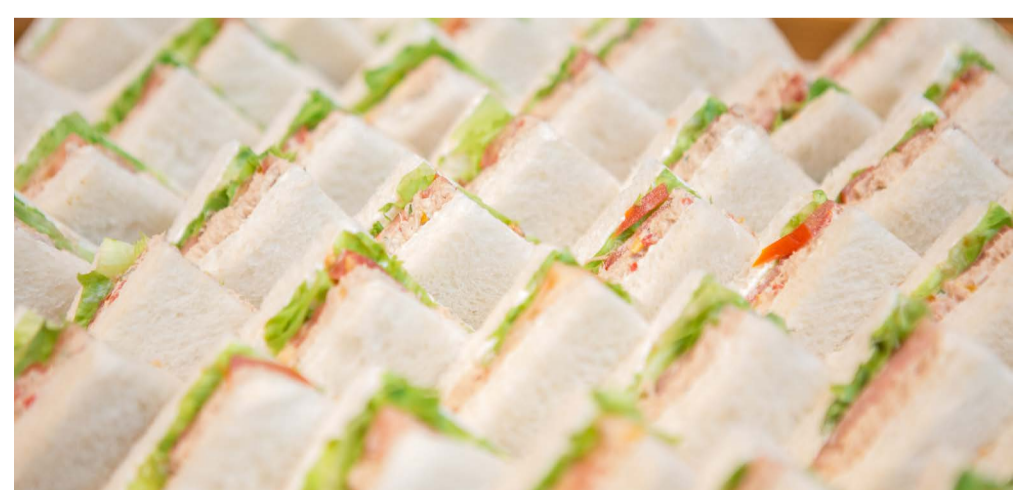

Catering is provided by **Plessy's** - offering freshly prepared, locally sourced food, with friendly support and refreshments available throughout the day from our dedicated Conference Centre team.

If you're looking to hire facilities for an upcoming meeting or event, including schools seeking an off-site venue, we'd be delighted to hear from you.

For further information or to book, please contact Debbie McMahon

**Our offices, meeting and training facilities are now based at:**

**SIL Conference Centre  
Second Floor  
Liverpool Innovation Park (LIP)  
Digital Way  
Liverpool, L7 9NJ**

*A picture of the building can be found [here](#).*

## Travelling to SIL Conference Centre

### By Car:

*If you are using a sat nav, please type in 'Digital Way' or 'Innovation Boulevard'.*

### Watch: Driving to LIP

#### From Edge Lane (City/M62):

Turn onto Innovation Boulevard, then left onto Digital Way. Proceed through the gates, and the Innovation Park reception is first right, past JD Gyms. Parking is available to the left of the building, in front and at the rear.

#### From Wavertree Road:

Turn onto Innovation Boulevard, take the third exit on the right onto Digital Way, and proceed as above.

## Parking Information

Please refer to the diagram on [page 3](#), which identifies all car parking areas.

### Main Park Area:

You can park in the designated car parks around the site.

### **Blue Zone: Best for parking throughout the day.**

**The 'e-permit holders only' signs around the LIP site are not currently enforced and may be ignored; however, parking is not permitted in bays marked as restricted, reserved, or for retail units.**

### Bus:

Liverpool Innovation Park (LIP) on Edge Lane is highly accessible by bus, with numerous routes stopping within a 5-minute walk

#### Key services and stops:

- Edge Lane (near Innovation Boulevard): 7
- Wavertree Road (Matalan area): 78, 79, 79C
- Prescot Road (short walk via Laurel Road): 8, 9, 10, 10A, 10B

### By Train:

Wavertree Technology Park and Edge Hill train stations are approx. 15 min walk
