Letter from the Chair of Governors

Dear Applicant,

Thank you for your interest in the position of Headteacher at Saints Peter and Paul Catholic Primary School. On behalf of the Governing Body, our staff, and our wonderful pupils, I am delighted to welcome you to our recruitment process. Our School is defined by our Children's mission statement to work together, try our best and live as Jesus taught us by showing love, care and respect. We are exceptionally proud of our inclusive environment, dedicated staff team, and the high aspirations we maintain for every individual child.

Our Current Context and Opportunities

We are now entering a fresh and exciting chapter in our school's journey and are a happy school community, currently rated Good across all key categories, including quality of education, behaviour and attitudes, personal development, leadership and management and early years provision. However, we are not complacent and are seeking a visionary leader who can build upon our strong foundations while injecting new ideas to drive us forward.

The Leader We Are Looking For

The Governing Body is searching for an inspirational, dynamic, and resilient leader. You must possess the strategic drive to manage our complex school operations combined with a warm, visible presence that motivates our children, parents, carers and the wider community of Tower Hill.

What We Offer in Return

In return, we offer a warm, vibrant school family, enthusiastic pupils who love learning, and a highly supportive Governing Body. We understand that school leadership is an immense responsibility and we are completely committed to your professional development and wellbeing.

Thank you again for your time, your interest, and we look forward to receiving your application.

Yours sincerely

Matty Pendergast
Chair of Governors

Educating our children through love, care and respect
